Subject: Portland harbor dredging & disposal meeting ecl/aru

Start Date/Time: Thur 6/16/2016 10:00:00 PM

End Date/Time: Thur 6/16/2016 11:30:00 PM

Hello everyone, this meeting is meant to discuss Portland Harbor contaminated sediments dredging and disposal in preparation for a meeting with USACE in June. This looks to be the only time this week where everyone is available (except Cami). The previous week is difficult due to the proposed plan release, and Davis is out after June 20.

If this time works for most I'll work on finding a room in seattle/setting up a telecon line.

Thank you.
